> him in a carriage and took him to his home.
>
> Dr. Kirby, the family physician, was summoned, but was unable to save the actor's life. Said Dr. Kirby this morning:
>
> "To all appearances Mr. Kyle died Saturday afternoon about 4 o'clock during a convulsion. On account of the nature of his lihess I made efforts to revive him, and succeeded.

"Sunday he grew worse, and at 4 o'clock ther convulsion came on and life ceased suddenly as the stopping of a clock's mulum. I again applied restoratives, but

to no avail.

"At 10 o'clock Sunday night the family sent for me again, and I found that the rigidity which began in the afternoon had disappeared and that the body was apparently becoming warm again. Once more I applied the usual restoratives, but with no good re-

be let alone for a day, at least.

It is true that the body did remain warm remarkably long time, but that I attribute to the suddenness of death, which left the attribut warmth of the body intact at the intant life ceased, which is not the case in a incressor \$700,000.

Incressor \$700,000.

Incressor \$8700,000.

Incressor \$8700,000.

In the stadenness of death, which left the natural warmth of the body intact at the instant life ceased, which is not the case in a lingering death.

"Mrs. Dallas was suspicious up to yesterday. The statistical warmth of the body intact at the instant life ceased, which is not the case in a lingering death.

"Mrs. Dallas was suspicious up to yesterday that the night not be extinct, but I statisfied the entire family last evening that poor Kyle was actually dead."

brother, John Monahan, and a nephew, Anthony Hart Athy.

The will was contested in behalf of her insane husband, Tony Hart, upon the ground of undue influence, and because it was an unreasonable document, precluding him from any disposition in her estate, the greater part of which came from him.

Pending the contest Tony Hart died in the asylum, but the contest was continued in the name of his father, Anthony Cannon, sr., who is over eighty years of age and in very feeble health.

nearth.

The contest was called for trial to-day before Surrogate Ransom. Col. Robert G. Ingersoil appeared to sustain the will, and the contestant was represented by Civil Justice

Judge Clancy announced to the Surrogate that the contest had been compromised for a reasonable consideration.

There is still pending litigation over the balance of a benefit fund that was raised for Tony Hart some time before he died.

dence at 224 East Fifty-sixth street. she told Policeman Quinian that she had

been enticed into the ballway by the barseeper of the Club. She resisted him, and ic drew a knife and attempted to stab her, is warding off the blow her hand was cut. Lena Dreyfuss is not known at the address dren. At the Gotham Club it was said the arkeeper did not report for duty until night

in railroad enterprises. He has been in New York about seventeen

When the proceedings were resumed this morning Mrs. Stephant, who told her story yesterday of how Gen. Littlefield had induced her to give him her money to rescue her sonfrom prison, was recalled to the stand to be cross-examined by Lawyer A. C. Paimer, who them have an interest in it.

is defending the General. she was on the stand vesterday.

The object of Mr. Palmer's cross-examina- sents. tion was to show that Mrs. Stephant was un-

ember, 1888, was attended by Dr. McKenzie. | was ever paid for it. Didn't you accuse Dr. McKenzie of killing ur husband?" asked the lawyer. 'Yes, I said so to him when I learned from eway that he had made a wrong diag-

ver. "Didn't you say once that you would try our best to rum Dr. McKenzie's reputation

your joes to the professionally?"
"No, never, replied the witness emphatically: I said that I believed my husband was killed by neglect and wrong treatment, and I believe so yet."
Mrs. Stephani admitted that she had said

onsulting with him.
"Didn't you say then that you coulde't rist Mr. Dougherty any longer," asked Mr. calmer, "because your brother was your

Palmer, "because your brother was your themy!"
"I may have said so. I suspected that Mr. Dougherty was not working in my interest."
Among the doctors she consuited were Dr. Chetwood and Dr. Douglas. The former is at the Tombs.
"I asked Dr. Chetwood to take good care of

the Tombs.
"I asked Dr. Chetwood to take good care of my boy while he was in the Tombs," she said and paid him for his services."
Mrs. Stephants deribed her first interview with Gen. Littlefield, who was introduced to A WOUNDED WOMAN IN A HALL.

She Says a Barkeeper Assaulted
Her, but Her Story Is Fishy.
A woman bleeding from a deep cut in her hand was found lying in the hallway of the Gotham Club, No. 24 East Fifty-ninth street, at 4 o'clock this morning.
The woman gave her name as Lena Dreyluss, her age as twenty-nine and her resi-libte.

lotel.

Mr. Palmer got admissions from the witness of conversations with Gen. Littleffeld and others, in which she had said that she had paid money with the understanding that it was to secure the appointment of commissioners in Lunaey, and that she had employed half a dozen or more lawyers to look after her son's interests. The three checks, for \$1.500, \$800 and \$1.300 respectively, which she paid to Gen. Littleffeld, she had paid at his office, believed that the first of the littleffeld, she had paid at his office, believed that the instruction.

Gen. Stewart L. Woodford was called to testify to Gen. Littleffeld's good character, lie had known him since 1863, when they

tion for homesty.

Mrs. Stephani resumed the stand. The last time she saw the detendant, she said, was some time about duly 17 last at his office.

"He dind't say much, she declared. "I did most of the talking.

"You have had by Flemming indicted, haven't you?"

"Yes, I testified before the Grand Jury of grants thin." gainst film.
Recess was then taken.
After recess counsel for the deferce called
enry W. Harden, a clerk for Evarts, Cheate

Beaman, who testified to the firm with hem he is connected having paid ten. Lit-cheld a sum of money for services he had endered for them in looking up records Florida.

Mrs. Stephante then resumed the witness thair and testified that the money chair and testified that was, as she had part the defendant was, as she had part the defendant was.

"L" Scandal.

which how stand to the name of Lawyer Anthony Barrett as trustee? Mr. Hall, who is trying the suit to have the shares cancelled, and the friends of President Putnam say openly that they suspect the real owners of the stock to be member

of the Brooklyn Board of Aidermen of 1886. They have not yet mentioned any particlar names, and from all that has been said it seems that they are not able to point out the alleged bribe-takers, so that the suspicion rests more or less strongly upon every memher of that heard who voted for the Union tranchise in 1886.

Mr. Hail now intimates that the suspected of the stock at present controlled by Trustee Barrett, but he declares that this is not inconsistent with the theory that several of

"It would not do," he says, "for them The witness was dressed in deepest mourn. hold the stock in their own names, and they ing, but seemed to be less nervous than when | will und lubledly use every means to prevent us from finding out whom Mr. Barrett repre

"It certainly looks very queer, however, celiable, and that she was in the habit of that more than \$2,000,000 of the Company's entertaining unjust and absurd suspicions stock should be issued to unknown person against various persons.

She said that her husband, who died in No. blocks of the Company that a single dollar and that there should be no record in the " When the members of the Board deny

that they ever saw a share of the stock they may be speaking the truth, but that does no prevent them from having a very lively inor, saneway that he had made a wrong diagnosist in my husband's case."

" pid you really accuse Dr. McKenzie of
killing your husband's "napriest the fecceder,
"Yes. I told him that in so many words."
Mrs. Stephani said that Dr. McKenzie diagnosed her husband's illness as hasiaria, while
Dr. Janeway said it was malaria and typhood
fever.

When it comes to saying anything more
definite than this Mr. Hall " is not there," al definite than this Mr. Hall " is not there," although he promises to make a tremendous sensation when the matter finally comes te fore the court.

ONLY GENERAL DENIALS. From the people on the other side nothing but general denials can be obtained. Mr. TONY HART'S WIDOW'S WILL.

Settlement Is Made with Contestants, and it is Admitted to Probate.

The contest over the will of Gertrude Evelyn Cannon, the wile of Tony Hart, was one-promised to-day and objections to the pro-per.

Mrs. Stephani admitted that she had said that the hurse who attended her husband in his last filmes had contributed to his death by leaving the window of his room open. "I only said it was done through lighorance," said Mrs. Stephani.

When her son came back from Europe in 1890, she heard from him that he had made a will while in Germany. He told her he had made a will while in Germany. He told her he had will while in Germany. He told her he had said that this information did not distress the lawyers who represent him, however, and the lawyers who represent him, however, but the stands in his name; that he came by it in a perfectly legitimate manner, and assert had the right to you may it has prove before. Barrett, who is ill at his home, is guarded by

Ign Cannon, the wife of Tony Hart, was compromised to-day and objections to the probate of the will were withdrawn.

Mrs. Cannon died March 13, 1800, leaving a will which she executed Jan. 20 of that year. In that will she made no mention of her husband, Tony Hart, who was then in an insane asyium in Massachusetts, but made several bequests to friends and relatives and gave the residue of the estate to her foster brother, John Monahan, and a nephew, Anthony Hart Athy.

The witness also deuled that she had on one occasion twisted the seckitle of Mrs. Foster vesteriasy. This was testified to by Mrs. Foster vesteriasy. This was testified to by Mrs. Foster vesterialsy struck in the first of the probability of the state to her foster brother, John Monahan, and a nephew, Anthony Hart Athy.

The will was contested in behalf of her insane husband. Tony Hart, upon the ground of undue influence, and because it was an unsane husband. Tony Hart, upon the ground of undue influence, and because it was an unsane husband. Tony Hart, upon the ground of undue influence, and because it was an unsane husband. Tony Hart athy.

The will was contested in behalf of her insane husband. Tony Hart upon the ground of undue influence, and because it was an unsane husband. Tony Hart athy.

The will was contested in behalf of her insane husband. Tony Hart upon the ground any disposition in her estate, the greater part of which came from him.

The will have contest was continued in the asylum, but the contest was continued in the consulting with him.

The will be executed the acktile of Mrs. Foster vesterists, but all this information dinable due of Mrs. Foster vesterists would lake to the substitute the number of the said that this information dinable of Mrs. Foster vesterists, but all this information dinable of Mrs. Fo

sorted to by the minority on the eye of the annual election when it was seen that their defeat was imminent.

TY ASSOCIATED PROSE. Paris, March 16.-The excitement caused by the explosion at the Lobau Barracks Yes- gan as investigation into the management of this morning, has among her passengers ter lay has not yet worn off, and men may be the Central Park " Zoo," heard talking of the affair in the cales and The investigation was directed to be made

Within a very short time four explosion have occurred in Paris, and in not a studie instance have the police found the miscreality. who caused them. The barracks of the gendarmes at St. Ouen and the Lobau Baracks were always guarded by sentinels, and yet the Anarchists succeeded in placing their xpl sives where they wanted.

M. Loubet, the Prime Minister, had long inferences to-day with the Prefect of Police and the magis:rates who are conducting the inquiry late yesterday's outrage, and it was decided that the residences of all Anarchists should be searched. Whenever arms, explo sives or seditious documents are found the occupiers of the place will be arrested.

The police have an idea that by throwing out a drag-net they may perhaps be able to catch the perpetrators of the outrages. In accordance with the plan of action decided upon the police to-day took out twenty search warrants, issued chiefly against for eign agitators, and a close scarch will be

made of their residences and belongings. It is thought that the Aparchists who stoke the thirty-two cartridges from the magazine Aldermen may never have received a share at Chambery will bring them to Paris and attempt further outrages.

The Government has ordered that, in addition to the regular guard, a secret guard be placed at all the public buildings and military posts. As a matter of precaution also, the guards at the Bank of France have been in-
